Vente de propriete et actions)
 par Jean Baptiste Lepretre a) sic
 Jean Manuel Oriol)
 J. Lisbonne n.p. Dec. 4, 1858)

Be it known that on this day, before me, Joseph Lisbony, Notary Public, duly commissioned and sworn for this City and Parish of New Orleans, State of Louisiana, and in presence of the undersigned witnesses:-

Personally came and appeared Jean Baptiste Lepretre, of this City, who declared that he does hereby sell, bargain, and convey from this day and forever, with full warranty of the title against all claims, evictions, debts, mortgages, and with subrogation to his rights, actions of warranty against all preceding vendors; Unto Mr. Juan Manuel Oriol also of this City here present and accepting:

1st. A certain lot of ground situated in the Second District of New Orleans in the square bounded by St. Louis, Royal, Bourbon and Toulouse streets, designated by the letter B. - On a plan drawn by J.A. D'hemecourt, Deputy Surveyor, on the 31st December 1857 and annexed to an act passed before A. Boudousquie, on the twenty second January 1858, according to said plan. The said lot measures, nineteen feet six inches and two lines front on St. Louis Street, one hundred sixteen feet in depth, on both sides and nineteen feet nine inches width on the rear line. Which lot belongs to the said Mr. Jean Baptiste Lepretre as having acquired the same together with the balance of said lots A.B.C. from the succession of Thomas Bailey by act passed before Carlile Pollock not. pub. on the 16th February 1822.

And 2nd. Eighty four shares of the Capital Stock of the Citizens Bank of Louisiana, secured by mortgage on the property above sold.- This sale is made and agreed for and in consideration of the sum of nine thousand dollars; In deduction whereof the said Jean Baptiste Lepretre acknowledges to have received Five thousand dollars from the said Jean Manuel Oriol, to whom he grants acquittance and discharge thereof.- And as to the balance it has been paid as follows:- by the said Jean Manuel Oriol.-

1st. He has now granted a certain Bond or Stock note for the sum of Two thousand and sixteen dollars drawn by him under date of this day, in favor of the said Citizens Bank of Louisiana, payable on the first October 1859, fixed and renewable according to the charter of the said Bank; the sum being the balance of a Stock note granted by the said J.B. Lepretre to the said Bank for loan made to him by the said Bank on said Eighty four shares and the said Jean Manuel Oriol binds himself to substitute his aforesaid stock note to the one of the said Jean Baptiste Lepretre:-

And 2nd. the said Jean Manuel Oriol has now granted two promiscory notes each for nine hundred and ninety two dollars, drawn by him under date of this day, to the order of and endorsed by himself and payable respectively at the end of march 1861 which notes have been marked "Ne Varietur" by the undersigned notary, to identify them hereafter and have been delivered to the said Mr. Lepretre who acknowledges the receipt of the same, and to

Insure the payment of said notes the property sold remains specially mortgaged. The aforesaid stock note has been also marked "Ne Varietur" by the undersigned notary to identify it with this act and with an act passed before A. Boudousquie, not. pub. on the twenty second January 1858 and also with an act passed before Theodore Seghers Notary, on the ninth September 1834.

According to the Certificate of the Recorder of Mortgages in this City, dated twenty third November 1858 and hereto annexed, it appears that there are no other mortgages against the said Jean Baptiste Lepretre on said above described property, than;- The mortgage granted by him and Mrs. Marie Sophie Andry his wife by an act passed before T. Seghers not. pub. on the ninth September 1834, in favor of the Citizens Bank of Louisiana, on said lot and others, to secure Forty two thousand dollars of stock etc. and by an act passed before A. Boudousquie not. pub. in the twenty second January 1858 the stock had been partitioned on three lots A.B.C. being a subdivision of the original lot; and the said lot B. is now specially mortgaged, to secure nine thousand dollars of stock and \$2016.00 amount of the loan on the said shares.

Personally came and intervened:- Mrs. Marie Sophie Andry, wife of the vendor and by him duly authorized. Who after taking cognizance of the present act and before signing it, was informed by the undersigned notary, out of the presence of her husband, and in presence of the subscribing witnesses, (Agreeably to the law approved 27 March 1835) That by the laws of this state a wife has a tacit and general mortgage, on the property of her husband and on that of the Community of acquet which exists between them; That the said mortgage is so granted her in case she renounces said community; and that she is entitled thereto: 1st. for the restitution of her dower or dotal marriage portion; 2nd. for the reinvestment of her dotal property brought by her in marriage or acquired during marriage by gift or inheritance; and 3rd. for the reimbursement of the price of her extra dotal property which has been alienated by her, and the price whereof has been received by her husband, or otherwise disposed of by him for his private benefit;-

And the said Mrs. Lepretre was further informed, that by renouncing her said legal mortgage on the above described property she would debar herself irrevocably and forever of any recourse thereon. And after the undersigned notary had thus detailed in this act, and had verbally explained to her the nature of her rights and the engagement which she contracts of never setting up any claim or lien on said property, she declared that being well aware of the nature of her rights and of the consequence of these presents she consents to this sale and with the consent of her husband now here present she renounces and relinquishes any legal mortgage or other which she may be entitled to on said property either for her dotal, paraphernal, extra dotal or other matrimonial rights or for any of the above explained reason, ceding and transferring her rights thereon, in favor of the said J.M. Oriol his heirs and assigns forever.

The said Jean Manuel Oriol declared that he does hereby assume and take the reversion in full of the aforesaid mortgage, up to nine thousand dollars, amount of the aforesaid ninety shares, reduced to eighty four shares and the sum of Two thousand and sixteen dollars, amount of the balance of the loan on

Act 303

said shares, consenting here the said J.M. Oriol that the said mortgage he recorded against him, and that all the clauses and stipulations contained in the afore recited acts be binding against him, in the same manner as if the said act had been originally passed by him.

And to better secure the reimbursement of any loan on the aforesaid shares and of all interests agreeably to the charter of said Bank, the said J.M. Oriol pledges and promises by these present, in favor of the said Citizens Bank, the aforesaid shares which shares are hereby transferred by him to said Bank.

Thus done and passed at New Orleans, on the Fourth day of December 1858, the eighty third year of American Independence and in the presence of Paul Aldige and Frederick Camerden both of this city, witnesses, who have signed with the appearers and me Notary, after due reading hereof.
